This year, the Centerville-Washington Foundation is celebrating twenty-five years of giving back. Since 1998, we have reached new giving levels annually and are now approaching \$500,000 since inception. Our founders started with a spark, and thanks to our generous donors, your boards have worked to build a better tomorrow for Centerville and Washington Township by responding to the critical needs of our community. Thank you for your confidence in the Centerville-Washington Foundation.

Brendan J. Cunningham, President

2023 COMMUNITY IMPACT GRANTS

Congratulations to the Washington-Centerville Public Library and the Therapeutic Riding Institute who both received a 2022 Centerville-Washington Foundation Impact Grant. Every fall, the Foundation solicits applications for the \$10,000 grant. Washington-Centerville Public Library was the recipient of the grant for the initial sponsorship of *The Wall That Heals* exhibit. The Therapeutic Riding Institute was also a recipient of the grant to assist with the purchase of a much-needed pickup truck for the farm.

As we embark on the next twenty-five years, we are excited to announce the creation of the Brad Bucher Elk Pride Never Dies Memorial Fund. Through this fund, we will be able to assist worthy Centerville School students in pursuing extracurricular activities. Programs like this offer the Foundation new opportunities in 2023 and beyond. We thank all our donors for their support in the past, the present, and the future.
